1. WELCOME FROM EVENT DIRECTOR

I would like to take this opportunity to welcome you to the second edition of the Royal Bikes Port Campbell to Warrnambool Handicap #take 2.

The Port Campbell to Warrnambool Handicap supports the Powercor Melbourne to Warrnambool and will offer every-day cyclists the chance to experience the atmosphere and prestige of the “Warrny” but in a more achievable format. The race begins in Port Campbell and follows the final 75 kilometres of the elite Melbourne to Warrnambool course. Riders will have the opportunity to cross the finish line in Raglan Parade a few hours before the elite race on Saturday, May 1 2021.

We trust you will enjoy yourself and have a rewarding experience.

3.5 RIDER BRIEFING

Rider briefing will take place on the start line.

Please note: As this race is the curtain raiser to the Powercor Melbourne to Warrnambool and travelling on the same course you may be required to stop should the M2W race catch the handicap.

This is highly unlikely as the timing has been reviewed in detail and has considered many factors however in the unlikely event this does happen the PC2W riders will be asked to pull over until the M2W riders have passed.

4. PRESENTATIONS

Presentations will take place immediately after the finish, prior to the finish of the Powercor Melbourne to Warrnambool Cycling Classic.

Presentation categories:

- Overall top 3
- Fastest Time
- First Female
- First Masters
- First J19

If you are required for presentations, please make your way directly to the stage area.
