SECTION 1 – INTRODUCTION

WELCOME FROM THE CHAIRMAN

I am delighted to welcome the cycling community to Warrnambool for the *Melbourne to Warrnambool Cycling Festival*.

The second oldest one day cycling classic in the world, the Powercor Melbourne to Warrnambool Cycling Classic, continues its proud tradition on Saturday, February 19, and this year shares the stage with the Lochard Energy Warrnambool Women's Classic to be held on Sunday, February 20.

Our women's event will be the longest one day classic in the world and will write the first chapter in its history in what is set to become one of Australia's greatest women's cycling events.

The anticipated finish of the Lochard Energy Warrnambool Women's Classic will be preceded with great criterium racing on Raglan Parade with laps of the finish line, offering fast aggressive racing and fantastic viewing. The Warrnambool KFC Criterium is not to be missed.

The Royal Bikes Port Campbell to Warrnambool Handicap returns offering all club cyclists a chance at victory, taking in the final 76 kilometres of the Warrny course.

The 2022 course of the Warrny has very minor changes and once again takes in the rolling hills and punchy climbs of the Western District, before exposure to the harsh elements of the Southern Ocean from Port Campbell through to Warrnambool. The famous Raglan Parade awaits, a 1.2 kilometre drag race to the crowd at the Event Village.

This year's Warrny Legend, Jim Dart personifies all that is Warrny and all that is legend. Riding his first Warrny in 1975, in his 21 starts he placed on three occasions, never quite getting atop the podium. He then served on the Warrny committee for 14 years. Imagine training through 21 Warrnambool winters in pursuit of an elusive Warrnambool victory. The reason the Warrny has lasted the journey since 1895 is due to people like Jim Dart. We salute you, Jim.

Our committee are very fortunate this year to work with many partners. Powercor is once again our Major Partner, with Warrnambool City Council, the Victorian Government, Anchor Point Village, Royal Bikes, Deakin University, Avalon Airport & Lady Bay Resort all magnificent partners backing the event and recognising its importance to the sporting and cultural fabric of Warrnambool. This year Lochard Energy and KFC join us in making the Warrnambool Women's Classic possible.

I wish all the cyclists, their teams, and supporters all the best, and look forward to another cracking Warrny.

Finally, a huge acknowledgment to the members of the Warrnambool Citizens Road Race Committee, who have once again given their all to assist KSJ Events in delivering this 106th Melbourne to Warrnambool Cycling Classic.

Chair

Warrnambool Citizens Road Race Committee

WELCOME FROM THE RACE DIRECTOR

It is with great pleasure that I welcome everyone to the first exclusively women's race to Warrnambool, the **Lochard Energy Warrnambool Women's Classic**. The Melbourne to Warrnambool race is an iconic event with a rich history of triumph and disaster, with epic battles of the riders against the elements and each other. With the inaugural Warrnambool Women's Classic, a new history of epic feats is waiting to be written by you the cyclist. This promises to be the start of one of many great races.

A big thanks needs to go to the sponsors Lochard Energy and the Victorian Government. Without them this event wouldn't be possible. We would also like to thank Colac Otway Shire, Warrnambool City Council, and the Melbourne to Warrnambool Road Race Committee for their support in facilitating this event.

Bike races of this magnitude do not just happen, they are the result of a huge amount of work behind the scenes by people passionate about cycling. My sincere thanks go to Karin Jones and to the many volunteers that have dedicated their time and energy to ensuring the success of the event. To be associated with everyone involved in making this event happen is a huge privilege and an honour. A special thanks also needs to go out to the Victorian Police whose effort and commitment to the safety and conduct of the event will do much to enhance the event in future years.

Please familiarise yourself with the race brief, route maps, rules of the road, and most importantly, have a safe and successful race.

Good luck and may the winds be on your side.

Liz Taylor
Race Director

WELCOME FROM THE PATRON

It is an immense pleasure to welcome athletes, team managers and staff, the Melbourne to Warrnambool Road Race Committee, the Victorian Government, Warrnambool City Council and Colac Otway Shire, event organiser KSJ Events, official partners and supporting organisations, officials, volunteers, supporters and fans to the inaugural **Lochard Energy Warrnambool Women's Classic**.

As Australia's oldest race and the second oldest road race in the world, the 'Warrny' is a significant part of Australia's cycling history. Now, for the first time, the 'Women's Warrny' will take place on Sunday, February 20 as a premier event within the 2022 National Road Series. The Women's Warrny is an epic 160km road race where Australia's most talented women cyclists will put everything on the line for the honour of being the first Women's Warrny champion!

We will be sure to witness exceptional performances from champion and aspiring athletes from across the nation; for most the Women's Warrny will be the longest women's road race they have competed in.

In years to come the Honour Roll for the Women's Warrny will undoubtedly become the who's-who of Australia most decorated women cyclists.

I can't wait to take my place in support of the Women's Warrny alongside an immensely experienced all-women management team, cheer on the riders, and celebrate the coming of age of the Warrny with the Women's Warrny.

SECTION 3 – EVENT REGULATIONS

GENERAL REGULATIONS

Any infringement of any race rules and regulations by any competitor, team official or helper will make them liable to such penalties as set down in the AusCycling/UCI scale of penalties.

The Commissaires Panel will be managed by the Chief Commissaire who has been designated by AusCycling. The Chief Commissaire will allocate the specific duties to the members of the Commissaire's panel, which may include but are not limited to, Principal Commissaires, Moto Commissaires, and Chief Judge.

EXTREME WEATHER

The race will be run without regard for the weather, with the exception of extreme weather conditions. In this case, the UCI's Extreme Weather Protocol and AusCycling's Heat Policy will be consulted, and a decision will be made between the Event Management Team, the Chief Commissaire, and Emergency Services.

Participating riders should be educated about drinking hydrating liquids regularly in preparation before the race and throughout the race itself. All riders are required to carry sufficient hydration for the race. Riders should continue to drink liquids post-race to replace the fluids lost during the race. In the event of an unusually high heart rate, dizziness, headache, nausea, cramps, confusion or loss of energy and endurance, the rider should be advised to stop, dismount, sit in shade off the road, drink and wait for the medical support to assist.

It is the rider's sole responsibility to ensure that they use sunscreen and drink and carry plenty of water for the race.

For more information, please see the AusCycling Extreme Weather Policy [HERE](#).

RACE START & SIGN ON

The race will start promptly at the advertised times with count down times being announced at the start area from 30 minutes before the start of the race. Riders are required to sign on from 1 hour (7:00am) until 15 minutes (7:45am) before race start time.

Sign on will be located at the start line and will be managed by the Chief Judge.

TEAM CONVOY VEHICLES

Each NRS team are allowed one vehicle in the race convoy, which will be no higher than 1.70m. This vehicle may carry spare bikes, spare wheels, and any other spare parts needed to service riders during the race. Each vehicle must travel on the left-hand side of the road.

RIDER SUPPORT PARKING

Designated Rider Support Parking areas will be provided at the start and finish of the race and are detailed in *Section 4 – Race Details*. These areas have been specifically planned with the approval of local councils to ensure minimal disruption to local residents and businesses. All vehicles must park in these designated areas. Any teams or riders found to be parking vehicles or setting up infrastructure outside of these areas will be asked to relocate to the designated area. Please note that local council have the ability to fine any teams or riders who do not follow local regulations and teams or riders may be penalised at the discretion of the race commissaires and event organisers.

RIDER SUPPORT VEHICLES (NON-CONVOY)

Non-convoy vehicles will be required to leave before the race start or they will be held for 5 minutes after the race start. These vehicles are not permitted to follow the race convoy. Please see *Appendices* for routes that will allow all non-convoy vehicles to access Feed Zones and the race finish ahead of the race and avoid being stuck behind the race convoy. These routes have been developed in conjunction with Victoria Police to relieve local traffic congestion and to allow the safest and quickest route possible so must be used where possible.

TRAFFIC REGULATIONS

All traffic regulations must be strictly observed by both riders and drivers of official vehicles; any infringements will incur penalties. The Commissaire's Panel has the right to fine and/or disqualify for any infringement of traffic regulations.

Every assistance will be given by Police and Traffic Controllers to ensure the smooth passage of the race; however, riders must remember that they are competing on public roads, and in the interest of safety, must obey any instructions given by Race Staff and Officials, Traffic Controllers or Police.

TECHNICAL REGULATIONS

1. ORGANISATION

The Lochard Energy Warrnambool Women's Classic is organised by KSJ Events, under the regulations of AusCycling and the Union Cycliste Internationale (UCI). The race is to be held on Sunday 20th February 2022.

2. TYPE OF EVENT

The race forms part of the AusCycling National Road Series, the feature series on the Australian road-racing calendar, with teams and individuals competing for national recognition. The series is conducted under the direction of the AusCycling Road Commission with the aim of improving the standard of domestic competition and creating a stepping-stone for riders looking to compete overseas.

The event will be conducted under the rules and regulations of AusCycling and the UCI. For more information, please refer to the AusCycling website (www.auscycling.org.au) and UCI website (www.uci.org).

3. PARTICIPATION

The following membership categories are eligible to participate:
U23 Women, Elite Women, Masters Women.

Please note that only full AusCycling membership card holders are eligible to enter this race. Temporary memberships are not valid.

The race is open to the following, in order of priority:

1. UCI Continental Teams
2. AusCycling NRS Registered Teams
3. State Institute Teams
4. International Teams (maximum of 3 / registered with their National Federation only)
5. Domestic Wild Card Teams (maximum of 2 / registered within Victoria only)
6. Individual entries (composite teams may be formed from individual entries at the discretion of KSJ Events)

The number of riders per each team is minimum 3 – maximum 5

4. RACE COMMUNICATIONS / RADIO-TOUR

Radio communication links the vehicles in the convoy and is a critical element of a safe, well-run event.

KSJ Events will provide each NRS team with one handheld radio for use in their convoy vehicle. Radio distribution will occur at the Radio Distribution marquee next to registration at the Colac Velodrome Start venue.

Radio-Tour traffic is directed by the Chief Commissaire during racing.

Team cars cannot communicate with the Commissaires or the Radio-Tour operator; all team radios are programmed to receive the race convoy channel only (not transmit).

It is the team's responsibility to ensure their radio is turned off and returned to the Information marquee next to the presentation stage within the Finish Venue at the completion of the race. Teams will be invoiced for any lost or damaged equipment.

5. SRAM NEUTRAL RACE SUPPORT

SRAM Neutral Race Support will provide neutral race support for the duration of the race.

There will be two vehicles used to provide this service.

SRAM neutral wheels supplied will be both Rim Brake wheels and Disc Brake wheels (100X12 Front 160mm Rotors and 142X12 Rear 140mm Rotors) – Zipp Firecrest wide carbon rims and Zipp Alloy Rim narrow braking track size wheels – 11 and 12 speed.

Any wheels provided by SRAM must be returned immediately following the conclusion of the race.

All servicing must be from a stationary position on the left-hand side of the road as per article 2.3.030 of the UCI regulations.

Best endeavours will be made to service riders as quickly as possible. SRAM Neutral Race Support will not be responsible for any loss of time due to riders having to wait for support to continue.

6. CLASSIFICATIONS

The following classifications will be awarded:

Lochard Energy Warrnambool Women's Classic Race Winner

The Race Winner will be the first rider to cross the finish line.

The Race Winner and second and third placegetters will be required for the presentation ceremony following the race finish.

Lochard Energy Sprint Champion Classification

The Sprint Champion Classification will be awarded to the rider with the highest aggregate number of points accumulated from the two intermediate sprints throughout the race.

It is a requirement that the rider finishes the race in the required time to be eligible for the Sprint Champion Classification.

Points will be awarded for intermediate sprints as follows:

Sprint Champion Classification - Points Allocation			
	1 st	2 nd	3 rd
All Intermediate Sprints	3	2	1

Details of intermediate sprints can be found in *Section 4 – Race Details*.

In the event of a tie on points for the Sprint Champion Classification, the following criteria shall be applied in order until the riders are separated:

1. Greater number of wins in intermediate sprints
2. Higher placing in the race finish

The winner of the Sprint Champion Classification will be required for the presentation ceremony following the race finish.

KFC Queen of the Mountain Classification

The Queen of the Mountain (QOM) Classification will be awarded to the rider with the highest aggregate number of points accumulated from the two hill climbs throughout the race.

It is a requirement that the rider finishes the race in the required time to be eligible for the QOM Classification.

Points will be awarded for hill climbs as follows:

QOM Classification - Points Allocation			
	1 st	2 nd	3 rd
All Hill Climbs	3	2	1

Details of hill climbs can be found in *Section 4 – Race Details*.

In the event of a tie on points for the QOM Classification, the following criteria shall be applied in order until the riders are separated:

1. Greater number of wins in hill climbs
2. Higher placing in the race finish

The winner of the QOM Classification will be required for the presentation ceremony following the race finish.

Lochard Energy First Warrnambool Rider Classification

The First Warrnambool Rider Classification will be awarded to the first rider to cross the finish line who is a member of the Warrnambool Cycling Club or has their AusCycling membership registered under a Warrnambool address (postcode 3280).

The winner of the First Warrnambool Rider Classification will be required for the presentation ceremony following the race finish.

KFC Young Rider Classification

The Young Rider Classification will be awarded to the rider with the highest placing in the race finish who qualifies as under 23 years of age (as of 1st January 2022).

The winner of the Young Rider Classification will be required for the presentation ceremony following the race finish.

Best Team Classification

**No jersey awarded*

The Best Team Classification will be awarded to the team with the fastest race time based on the sum of the three best individual race times within the team.

In the event of a draw, the teams shall be separated by the sum of the placings acquired by their three best individual race times for the race.

If there is still a draw, the teams shall be separated by the placing of their best rider in the race finish. Any team reduced to fewer than three riders shall be eliminated from the Best Team Classification.

The winners of the Best Team Classification will be required for the presentation ceremony following the race finish.

All Finishers - Medals

Time Medallions are awarded to all cyclists whose finishing time is within the Time Medallion Cut Off. The time Medallion Cut off is a finishing time within 15% of the winner's time or 1 hour, whichever is greater.

7. PRIZEMONEY

The following prizemoney will be awarded:

CATEGORY	PLACE			TOTAL
	1 st	2 nd	3 rd	
Race Winner	\$1000	\$500	\$250	\$1,750
Sprint Champion Classification	\$200	-	-	\$200
Queen of the Mountain Classification	\$200	-	-	\$200
First Warrnambool Rider Classification	\$200	-	-	\$200
Young Rider Classification	\$200	-	-	\$200
NRS Team Classification	\$500	-	-	\$500
Total	\$2,300	\$500	\$250	\$3,050

Prizemoney will be paid within 21 days post-race. An email will be sent to team managers and individual riders who have won prizemoney which will request bank details for payments to be made.

8. ANTI-DOPING

Testing may be conducted at this event, and it is the responsibility of each rider to ensure they are not required for testing prior to their departure. A list of riders to be tested will be posted at the finish line timing marquee.

If in operation, doping control facilities or details of the location will be located close to the finish line. Please see an organisation official or staff member for assistance.

9. PRESENTATIONS

A presentation ceremony will take place within 15 minutes of all category winners crossing the finish line. Riders are to present themselves to the event staff located at the marquee adjoining the presentation stage immediately after finishing.

The following riders must attend this presentation ceremony:

- Race Winner and Second and Third Placegetters
- Sprint Points Classification Winner
- Queen of the Mountain Classification Winner
- First Warrnambool Rider Winner
- Young Rider
- NRS Leader both Open and U23
- Best Team Classification Winner (overall best for the event)

If a rider or team fails to present themselves for the presentation ceremony they will be penalised as per regulations.

10. PENALTIES

The NRS/AusCycling/UCI Scale of Penalties will apply. For more information, please refer to the AusCycling website (www.auscycling.org.au) and UCI website (www.uci.org). Penalties have recently changed and been updated – please take the time to understand these updates.

11. NEUTRAL RACE CONTROL

The first 1.2 kilometres of the race will operate under a neutral race control to ensure a safe start. Please note that this 1.2 kilometres is included in the total distance of the race – Neutral Zone Finish (Race Start) will be at 1.2 km rather than 0.0 km. Please refer to the Course Mocka in *Section 4 – Race Details* for more information.

12. RACE NUMBERS & TRANSPONDERS / TIMING & RESULTS

Riders will be issued two body numbers, a frame plate and an electronic transponder at registration.

Riders must fit them as shown below. Numbers must not be cut, folded or modified in any way.

Transponders must be returned to the Information marquee next to the presentation stage within the Finish Venue at the completion of the race. Any teams/riders failing to return their transponder will incur a \$40 administration fee, and any lost or damaged transponders will result in a replacement fee of \$130.

Results will be available via the National Road Series Website www.nationalroadseries.com

13. MEMBERSHIP HOLDERS

No competitor will be allowed to start without producing a current, 2022 AusCycling membership or UCI licence, which must be presented to the Commissaire at Registration by the Team Manager or rider themselves.

Further, all official race personnel (i.e., managers, team staff and officials) driving or present in the race convoy must be a member of AusCycling or their National Federation.

14. MEDICAL SERVICES

A Race Doctor, Paramedic crew, and two First Responder crews will provide medical services for the race. The Race Doctor will be present in the Race Doctor Vehicle within the race convoy whilst the Paramedic crew and First Responder crews will be traveling in Guarded Medical Group vehicles.

Medical staff can be reached over the event radio system in the case of an incident.

Medical vehicles will only render medical assistance while stationary.

15. HOSPITALS

**Colac Area Health
Urgent Care Centre**
2-28 Connor St, Colac
(03) 5232 5100

**Warrnambool Base Hospital
(South West Healthcare)**
Ryot St, Warrnambool
(03) 5563 1666

16. RACE ENVELOPE, ROLLING ROAD CLOSURES & CUT OFF TIME LIMIT

The race and road closures are permitted by VicRoads, Victoria Police, and local councils. Please follow all directions of Police and Traffic Controllers.

A rolling road closure will be implemented by Victoria Police for the safe passage of the race. A maximum time of 10 minutes behind the main peloton will be permitted before riders will be classed as outside of the race envelope and rolling road closure. **NO EXCEPTIONS.**

If a rider is passed by the Police tail vehicle (a Victoria Police Highway Patrol four-wheel drive vehicle), this indicates that this rider is outside of the race envelope and rolling road closure, and as a result, **MUST** obey the standard road rules of Victoria.

Victoria Police, along with commissaires, will monitor and issue infringements to riders not obeying Victorian road rules when outside of the race envelope and rolling road closure.

Event organisers and Victoria Police work closely to develop a safe strategy to deliver the Warrnambool Women's Classic. It is critical that riders and team managers obey instruction from Victoria Police, the Race Director and Officials.

In an instance where a breakaway occurs and the race envelope stretches to beyond 10 minutes, Victoria Police will apply the following ruling:

- If the majority of riders are in the breakaway group, the Police tail vehicle will begin passing riders, therefore placing riders outside of the race envelope and rolling road closure.
- If the majority of riders are in the main peloton, Victoria Police will instruct through the Race Director for the peloton to increase the pace of the race and shorten the breakaway gap.

Riders and team managers need to ensure instructions from the Race Director are followed. The event permissions and Victoria Police resourcing allow for a road closure envelope of 10 minutes only.

Victoria Police have the power and have indicated that the race will be abandoned if riders fail to obey instructions when it comes to managing the race envelope.

17. CONVOY ETIQUETTE

Team vehicles shall carry a team manager who holds the appropriate membership, who shall be responsible for the vehicle.

Convoy vehicles shall travel on the left-hand side of the road and shall take up position behind the car of the Chief Commissaire or of the Commissaire delegated by them.

Permission is required to pass a Commissaires vehicle. Any driver wishing to overtake a Commissaires' vehicle on their own initiative shall move through the convoy on the right of the road, draw level with those vehicles, state their intention and proceed only once granted official permission by the Commissaire. The driver shall then complete their business as quickly as possible and return without delay to their designated place in the convoy.

Occupants of all vehicles (including motorcycles) shall, in all circumstances, comply with the instructions given by the Commissaires, who shall, in turn, do their utmost to facilitate the manoeuvres of the vehicles.

If a group of riders breaks away from the bunch, their follower vehicles may not slip in between the break-away riders and the following group without the authorisation of the Commissaire, if and for as long as they consider the gap sufficient.

No vehicle may overtake the riders in the last 10 kilometres of the race, or within 1km of an intermediate sprint or hill climb.

18. FEEDING

2 designated Feed Zones are included for the race, and their placements are indicated in *Section 4 – Race Details*. Feeding is ONLY permitted from the left side of the road (race direction) and penalties will be imposed on those who choose to ignore this.

Feeding from vehicles is permitted only when safe to do so and with permission from the Chief Commissaire. Feeding from vehicles is prohibited on climbs, descents and during the first 30 kilometres and last 20 kilometres of the race. Changes may be made to these distances due to extreme weather conditions at the discretion of the Chief Commissaire.

Feeding from vehicles shall occur exclusively behind the Commissaire's car, and under no circumstances inside or directly behind the bunch. Only when there is a breakaway group, the Commissaire following the group will deem whether the situation is safe, and the group is small enough to allow vehicles to feed riders alongside the bunch. Once the rider/s have been fed by the vehicle, the driver must immediately return to their respective designated position in the convoy.

All official vehicles including all commissaire, neutral support, medical and sag wagon vehicles will carry neutral water. Official vehicles will only be used for providing neutral water when team cars are unable to.

19. LITTERING

A designated Litter Zone will be located 200 metres before and after each Feed Zone.

Riders must not discard bidons or litter of any kind in any other areas of the course. Riders must take responsibility for their own litter and retain it until the Litter Zones or return it to their team vehicles.

Riders found to be littering will be fined in accordance with local laws and AusCycling/UCI regulations.

20. TOILET BEHAVIOUR

Riders are advised that it is an offence to urinate in public. Penalties will be imposed on those who choose to ignore this law.

Toilets will be provided at the start venue, and temporary toilets will be provided in the finish venue in Warrnambool – riders are asked to not use local businesses facilities.

SECTION 5 – CONVOY CODE OF CONDUCT

The Convoy Code of Conduct applies to all vehicles involved in Race Convoy operations whether involved with the conduct of the race itself or while performing a role that interfaces with the convoy operations and/or occurs within the race envelope:

- Team Cars
- Judge & Commissaire Cars & Motorbikes
- Media & Broadcast Cars
- Photographer & Broadcast Motorbikes
- Medical Cars
- Race Director Vehicle
- Technical Director Vehicle
- Neutral Support Cars & Motorbikes
- Police Cars & Motorbikes
- Moto Safety Marshal & Moto Escort Motorbikes
- Lead Car & Sag Wagon

Compulsory Convoy Behaviours

Applicable to all drivers within the race convoy

Note: the term 'vehicle' refers to both cars and motorbikes

Note: the term 'driver' applies to both car drivers and motorbike pilots

1. All drivers must attend the Team Managers Meeting or Drivers Briefing to undergo a race specific convoy operations briefing. Details of these meetings/briefings can be found in *Section 2 – Event Details*. If these meeting clashes with other activities, it is the responsibility of the driver to liaise with the Chief Commissaire to receive these instructions separately.
2. Failure to attend the Team Managers Meeting or Drivers Briefing or actively seek out these instructions from the Chief Commissaire may result in not being able to start Stage 1.
3. Misconduct in the convoy will result in a 'yellow card' warning being issued. Misconduct that breaches AusCycling/UCI regulations will be disciplined by the Chief Commissaire. Misconduct that breaches overall race safety and integrity will be disciplined by the Race Director as appropriate.
4. At the head of the Convoy is the Lead Car. Vehicles ahead of this vehicle are considered out of the Convoy.
5. The tail of the Convoy is the Police Tail Vehicle. Vehicles behind this vehicle are considered out of the Convoy.
6. Drivers (particularly cars) must gain permission to pass any large group of riders from the commissaire behind that group.
7. When passing through the convoy, vehicles must only travel marginally faster than the riders, and use short sharp toots of the horn to indicate passing. Drivers must check mirrors before deviating left or right.

8. Wherever possible vehicles should pass the riders on the right-hand side of the riders as per normal Australian road rules. When passing on the left-hand side, drivers must use extreme care and ensure that the rider is fully aware of your intentions to take the inside line. Drivers must check mirrors before deviating left or right.
9. When travelling within the race envelope, drivers must not travel more than 20km/hr above the speed of the race. Due to high density foot and vehicle traffic, particularly around schools and shopping strips, safety is paramount. To travel any more than 20km/hr above the speed of the race, is dangerous, unnecessary and unacceptable. Unnecessary speeding will be severely dealt with.
10. Vehicles must not overtake riders within the final 1km approach to a sprint or the final 10km of the race.
11. All convoy cars must deviate at the designated deviation point at the finish line under the direction of event officials or staff. Exceptions to this rule are Commissaires, Medical, Broadcast Motorbikes (under specific direction of the Commissaires) and Sag Wagon. Details of designated deviation points can be found in *Section 4 – Race Details*.
12. Convoy vehicles must not be more than 1.70 meters high
13. Convoy vehicles must adhere to the Convoy Assembly Times & Locations as listed in the *Section 4 – Race Details*.
